## JK Community Farm

Recognizing that hunger was a real issue in Loudoun County, VA and surrounding areas, JK Moving Services launched the JK Community Farm in 2018 to help those struggling with food insecurity, including children, senior citizens, families, and individuals in need. Located in Purcellville, VA, the 150-acre Farm is a 501(c)(3) that provides organic fruit, vegetables, and protein to area hunger relief programs and shelters.

The Farm donates its yield in partnership with Loudoun Hunger Relief, Food for Others, and Arlington Food Assistance Center, and works to increase access to fresh produce and protein to the food insecure through educational programs, corporate team building initiatives, and community gardening activities.
