

OFFICE MOVING SERVICES

moveOMX.com

ABOUT US

Office Movers Express (OMX), has been operating in the DC, Baltimore and Northern Virginia area since 1981. OMX is recognized as the most professional and technologically advanced moving company exclusively focused on serving businesses. Our moving & storage services have an added "X" factor, emphasizing quick customer response, short notice internal and external office moving and same day delivery of large and bulky items.

Office Movers Express is a proud member of ALA, LFVA, AMSA, IFMA, CLDA

COMPANY OVERVIEW

OMX is dedicated to the business community, offering specialized services related to a wide range of logistics solutions. With a focus 100% dedicated to the active office environment, our trained team successfully integrates industry leading processes, wide-ranging resources and innovative technology to support your unique relocation and storage needs.

CORE COMPETENCIES

- Comprehensive office relocation services
- Desktop technology preparation and repositioning
- Electronically tracked and managed storage and retrieval
- Modular systems furniture installation and reconfiguration

OUR DIFFERENTIATORS

- Dedicated entirely to office and industrial moving; no residential or household good services
- Implementation of technology-based solutions to traditional procedures and functions
- Nationwide and worldwide capabilities via fully vetted partners
- Specialized crews and equipment to safely relocate sensitive electronic equipment, high value artwork, labs and file systems
- Locally owned, managed and staffed for 40 years

PAST PERFORMANCE

Direct ongoing relationship with over 100 top law firms, major trade associations and fortune 500 companies throughout the DC, Baltimore & Northern Virginia area.
